

# Shadow Glow Series

SHADOW BOX STYLE LED Illuminated Mirror

## REFLECTIVE LIGHTING

### DESCRIPTION

The Shadow Glow Series offers an inward facing illumination within a shadow box frame that creates the perfect glow in your space. A backlit option is also available to enhance your design aesthetic. This mirror offers greater illuminance with half the power consumption of traditional LED mirrors with a fully customizable rectangular or square silhouette. The optional one-touch dimming system allows you to choose the perfect light intensity and color temperature—from a cool 5,000K task lighting to a warm, sunlit 2,700K glow. Elevate your experience even further with upgrades like an integrated night light, a built-in Bluetooth speaker, and other user-friendly features that transform your mirror into a personalized statement of style and function.

### APPLICATION

Our commercial grade mirrors are perfect for hotels, spas, salons, and make-up studios as well as make a beautiful upgrade for any bathroom remodel.
