

# Signature 2 Bar Cabinet

LED Illuminated Mirrored Cabinet

## REFLECTIVE LIGHTING

### DESCRIPTION

The choice is yours with the Signature 2-Bar Mirrored Cabinet; offering either a Top/Bottom or Left/Right direct edge illumination as well as the option of straight edge or rounded corners. Inside you will find adjustable glass shelves, and a mirror on reverse side of the door for ease of use when the cabinet is open. With our optional simple one-touch dimming system you can not only set your preferred light level, but you have the flexibility of changing the color temperature from a cool 5,000K task lighting option to a warm, sunny 3,000K ambient glow. As an added bonus, all mirrors can be upgraded with an integrated night light, Bluetooth speaker, built in interior outlets, an interior LED light, and soft-closed hinges giving you even more user-friendly options.
